RE: Proclamation Request for Lafayette Chamber of Commerce and Diablo Foods, Inc.

Lafayette City Council Members:

I am writing to you in hopes that you can provide two deserving organizations a proclamation or a recognition of achievement honoring their business.

The Lafayette Chamber of Commerce is celebrating their 60th Anniversary and I feel that this organization is very deserving of special recognition for all that they do for our business and residential community.

What can I say about Diablo Foods, Inc. and Mr. Honorary Mayor…Ed Stokes…that hasn't been said already? He personifies community, generosity, commitment and business longevity. Diablo Foods, Inc. will celebrate their 40th Anniversary this month!

Please consider honoring these two fine supportive Lafayette businesses on their achievements.

Thank you for your consideration.

Sincerely,

Larry Duson, President
Lafayette Chamber of Commerce
